**Your World-Changing Goals!**

- How much money do you want to raise in total? (A whole number divisible by 5.)  
 Total Amount: \$ \_\_\_\_\_
- **Remember:** *You will split the total amount between Your Group and the Kibera High School Building Fund. So the more dollars you raise for yourself, the more you empower the orphans of Kibera Slum, Kenya.*
- **Also:** *Since you will sell each Dream Card Pack for \$5.00, you will raise \$2.50 for Your Group and \$2.50 for the Kibera High School Building Fund with each sale. Be excited! Example: Sell only 100 Dream Card Packs and raise \$500 total; or \$250 for you and \$250 for them. You're making a huge difference in our world!*
- How many Dream Card Packs will you be selling in total? (Just divide your Total Amount \$ by 5 to see how many Dream Card Packs you will need to sell.)
